

Suprema

The ultimate coffee experience.

Our Suprema Single-Cup Brewing System is specially designed to make you a delicious cup of coffee every time! Not only will you get great coffee, but it will be brewed especially to your liking ... all at push-button convenience!

We understand coffee lovers

Taste a cup of our coffee, and you'll understand why we are found in more than 20,000 businesses nationwide. We use only the finest arabica beans in our great-tasting blends.

Your wish is our command!

Because each cup is brewed one at a time, the Suprema allows you to customize your coffee selection. Choose from:

- Regular, Decaf or Half Caffeine/Half Decaf Coffee
- Mild, medium or strong strength
- Hot Chocolate — with real liquid chocolate!
- Café Mocha — a rich coffee/chocolate blend
- Espresso
- Hot water for tea or soup

There is something for everyone!

#1 in convenience

Clean-up and maintenance takes only 5 minutes a day! A simple daily routine eliminates 95% of the time your staff used to spend with other coffee makers. Simply make your selection and your freshly-brewed cup is ready in only seconds. Our beverages are available 24 hours a day, without the worry of waste, stale coffee, or burnt pots. With Filterfresh, enjoying the perfect cup of coffee is easier and faster than waiting for a pot to brew.

Why choose Suprema?

- Your choice of 2 coffee blends, 3 coffee strengths, a caffeine/decaf combination, café mocha, whipped hot chocolate, espresso, or hot water for tea or soup, served fresh by the cup.
- Brew only what you need; choose from up to 3 cup sizes or a carafe option.
- No wasted coffee or money down the drain.
- Beverages available 24 hours a day without the worry of hot burners or burnt pots.
- Accurate measurement keeps taste consistent cup after cup.
- Our water filtration system ensures a great tasting cup every time.
- User friendly selection panel and friendly LCD display makes brewing coffee easy for anyone!
- Award winning design.
- 300 cup capacity.
- UL listed
- ADA (American Disabilities Act) compliant.
- Coin operation, if desired, to accurately recoup coffee costs.
